Minutes:

JIM DiFIORE, Business Services Manager, stated that this is the final review of the applicant's license and noted that the Council would need to approve or deny the permanent license. He noted that he had not had an opportunity to discuss the most recent inspection or the staff's additional concerns with MS. LE.

ASSISTANT CITY ATTORNEY JOHN REDLEIN informed MR. DiFIORE that time limits cannot be placed on permanent licenses because the Code specifically addresses annual renewals. He noted that the Council can attach any condition to any license.

CITY COUNCIL MEETING OF: JANUARY 21, 2009

MR. DiFIORE noted the concerns had not reached the level to warrant a recommendation for denial of MS. LE'S permanent license and recommended an additional condition that any business license violations would subject the license to immediate review by the City Council. He pointed out that the City Council also had the option of not renewing the permanent license within the next six months.

JENNIFER LE was present and agreed to the proposed additional conditions.

COUNCILMAN WOLFSON recommended holding the item, pointing out the massage therapist working without the necessary City permits is the second issue with this license. He invited MS. LE to meet with him and MR. DIFIORE to address this issue.

ASSISTANT CITY ATTORNEY REDLEIN explained that this item could not be held in abeyance as MS. LE'S license could not exceed the 365 days in a probationary status. He noted that she could always reapply for the license if it expired. MR. DiFIORE noted that the licensing process could start over again using her existing application and report. He confirmed that she would not be able to offer massages for two weeks between the Council meetings. COUNCILMAN WOLFSON opted to strike the item.
